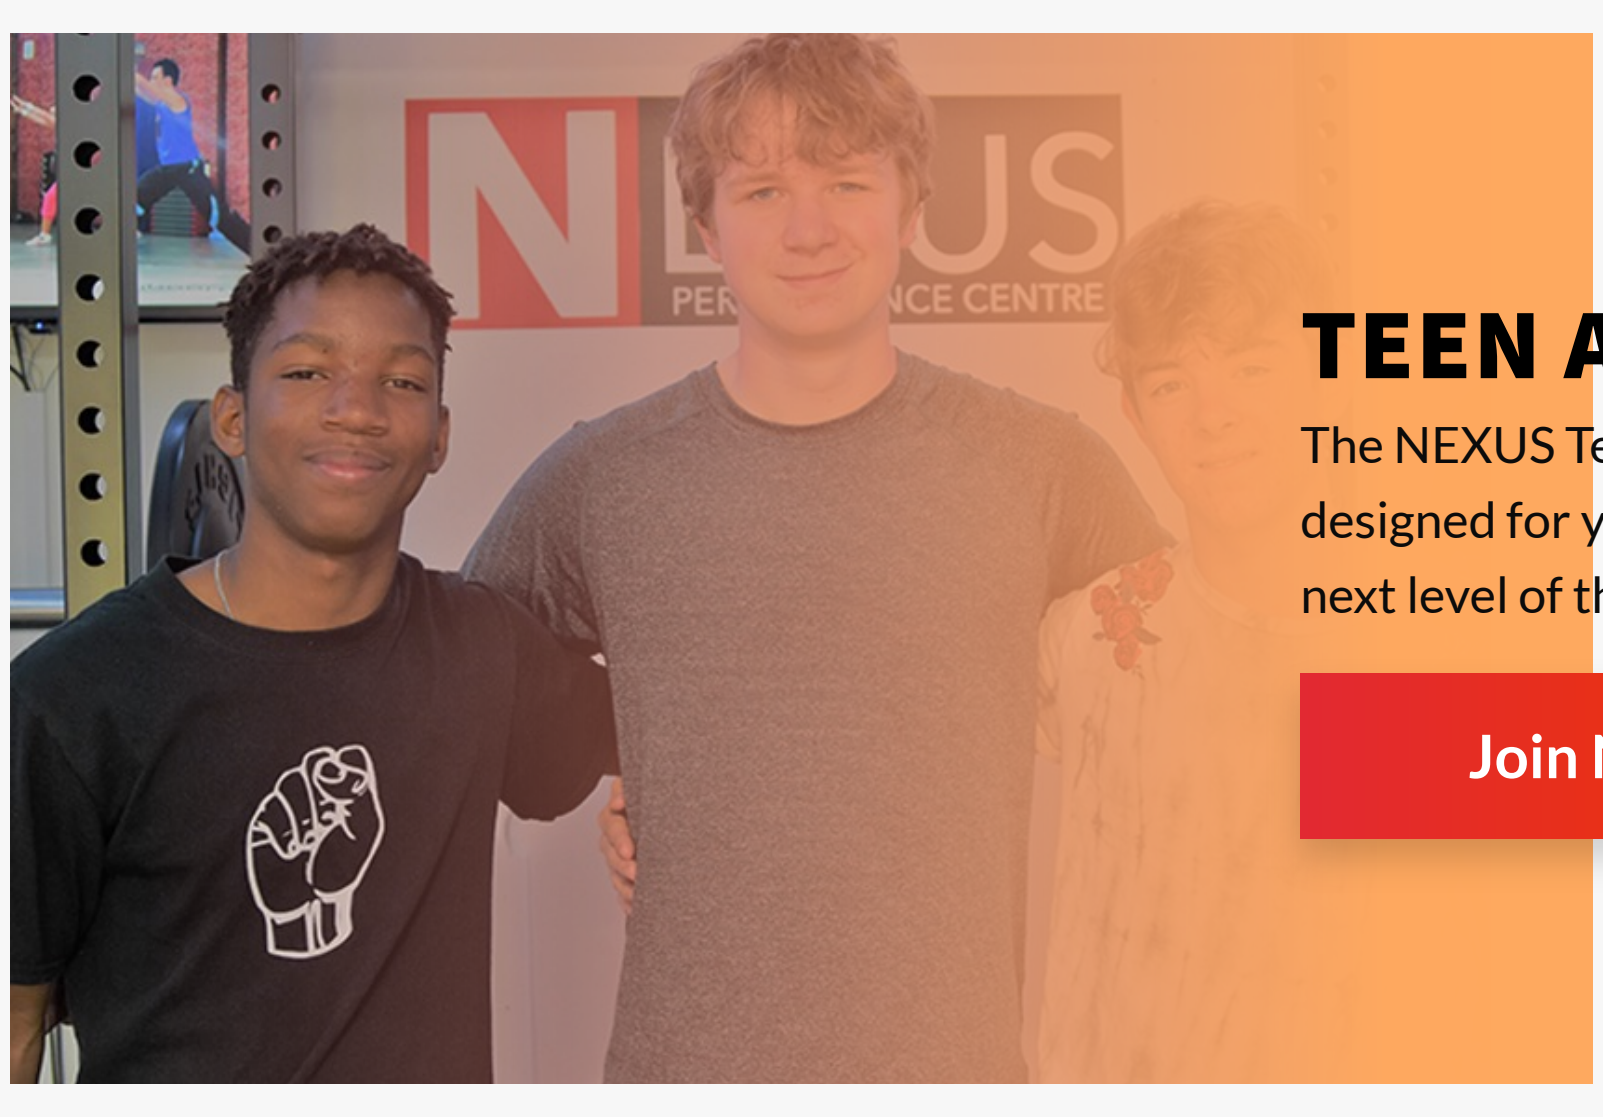
OUR TRAINING PROGRAMS

We are not limited with few. Come and join with us

PERSONAL TRAINING

At NEXUS Performance Centre personal training is truly that, personal. You will work one-on-one with your trainer who will listen to you and ensure that whatever your goals are that you will be successful in achieving them.

Join Now



TEEN ATHLETE PROGRAM

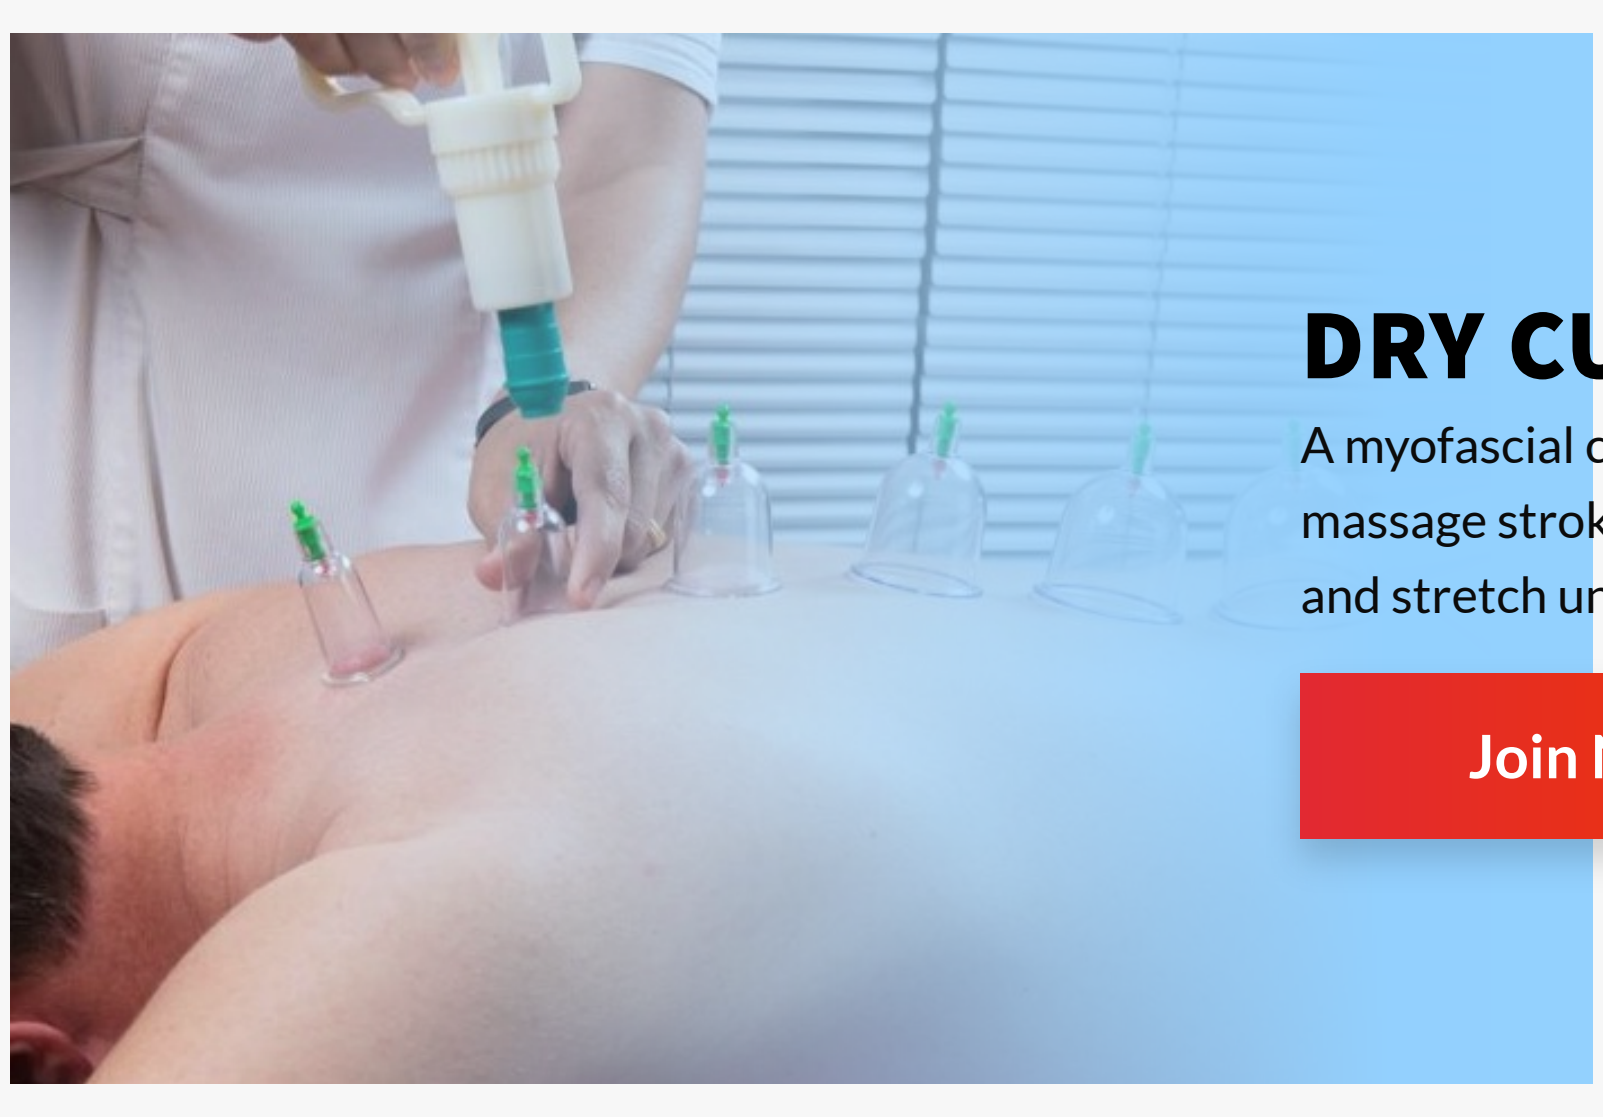
The NEXUS Teen Athlete High Performance Program is designed for young athletes (12-19) to take them to the next level of their athletic journey.

Join Now

BOOTCAMP

6-week, 12 class Bootcamp is an interval training that mixes calisthenics and body weight exercises with cardio and strength training.

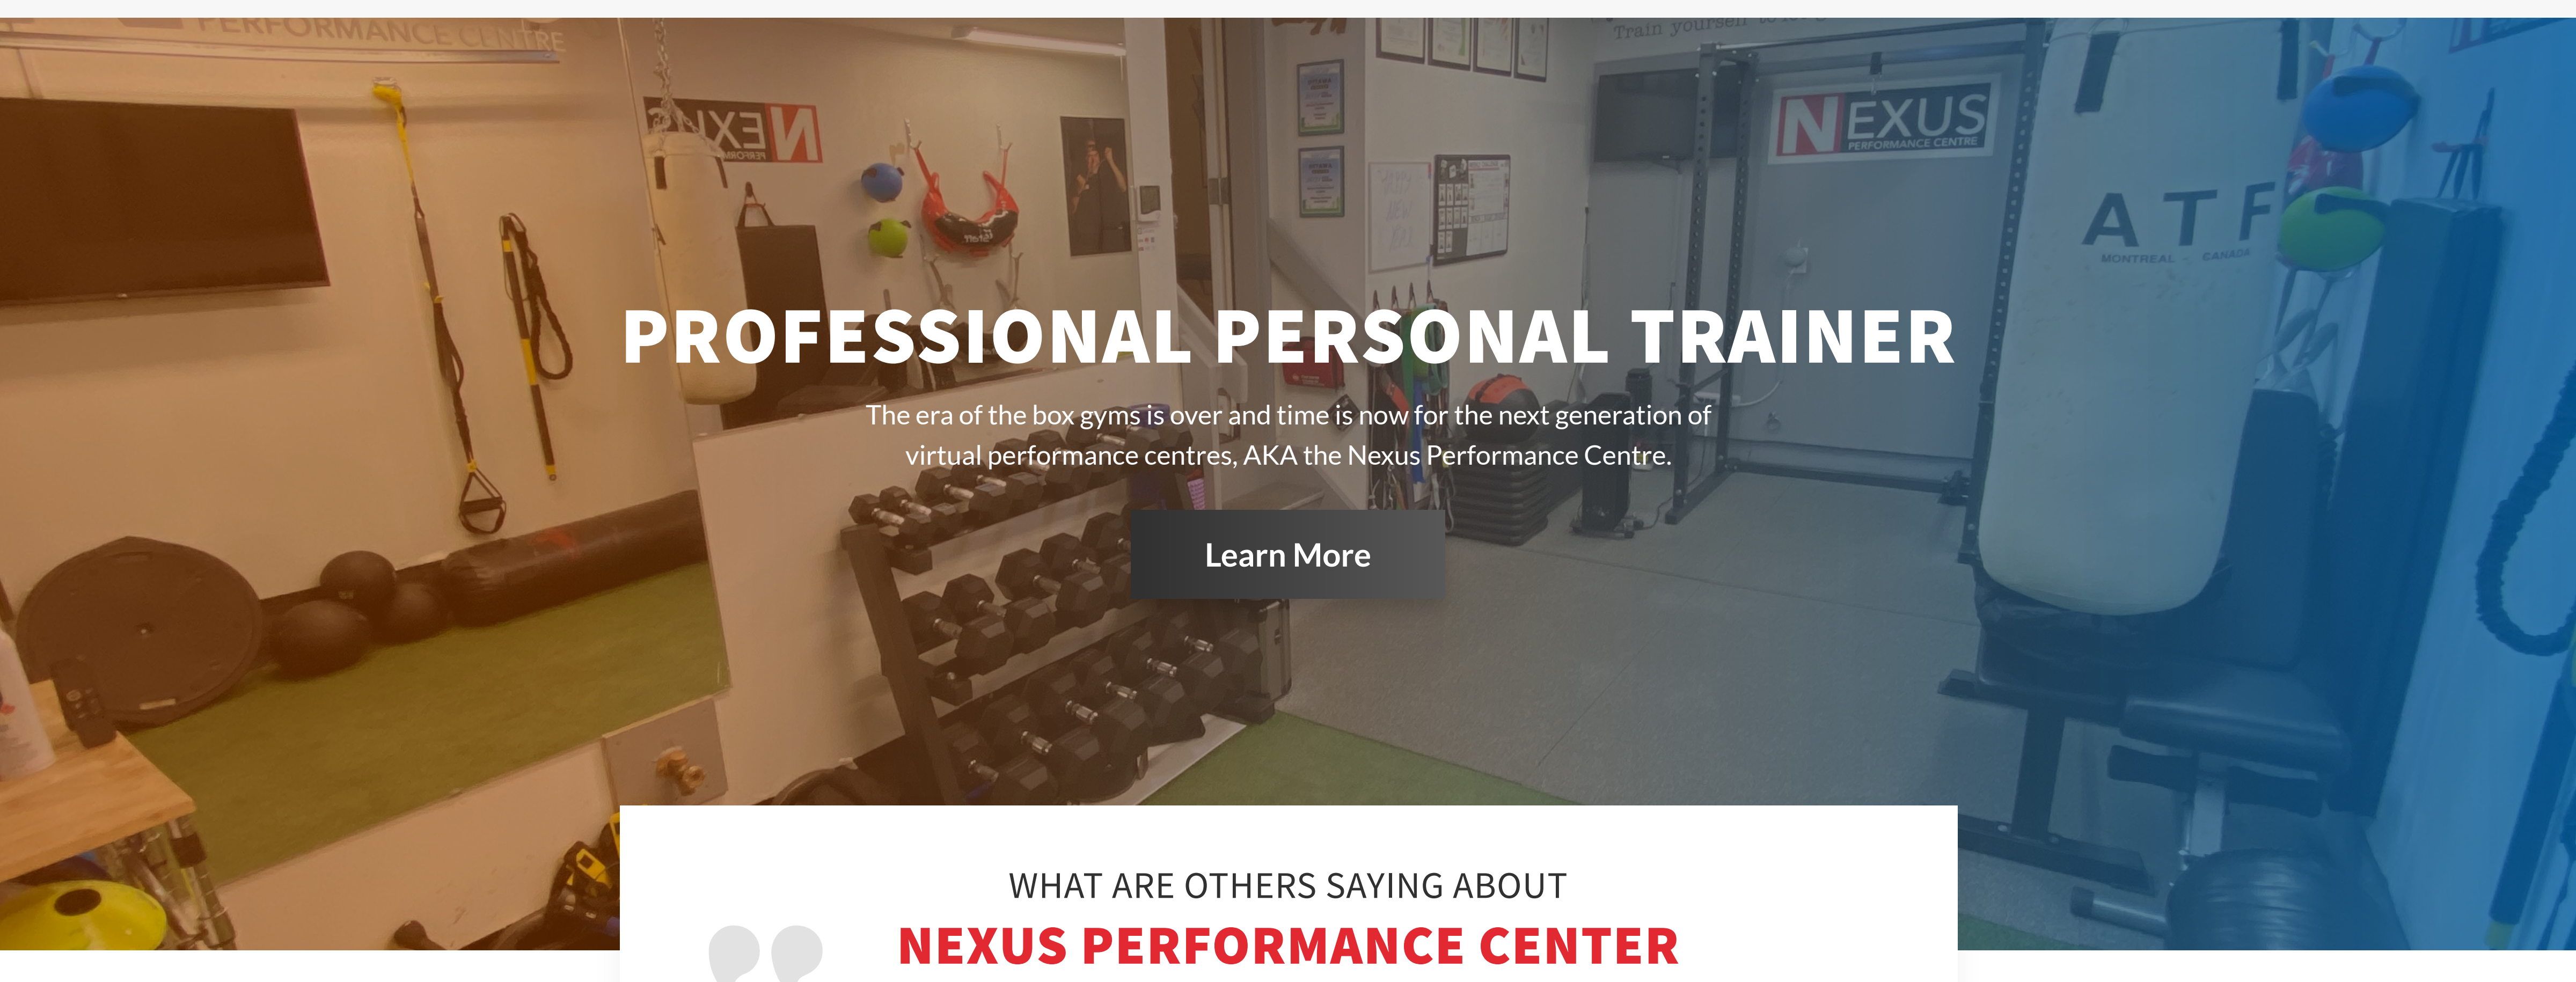
Join Now



DRY CUPPING

A myofascial cupping treatment uses a combination of massage strokes and negative pressure to lift, separate, and stretch underlying soft tissues.

Join Now



PROFESSIONAL PERSONAL TRAINER

The era of the box gyms is over and time is now for the next generation of virtual performance centres, AKA the Nexus Performance Centre.
